

SUPPORT BRIDGEPREP OF OSCEOLA WITH A 2021-2022 YEARBOOK AD OR SHOUT-OUT!

Each year successful businesses strive to make the most on the money they spend on advertising to help sell a product or service. This year you have the opportunity to advertise and support BridgePrep of Osceola. Your ad will be distributed in a full color yearbook throughout Osceola and Polk Counties due to the unique advantage BridgePrep presents to your business. BridgePrep of Osceola may be

located in Kissimmee, but we are near many surrounding areas including but not limited to Davenport, Haines City, Dundee, Poinciana, and Orlando. Each one of our yearbooks will circulate through the county advertising to the family and friends of the students who attend BridgePrep of Osceola. Remember an ad in a yearbook will be seen this year and many years to come since a yearbook is kept for a lifetime! Just think of the return you will get from supporting BridgePrep. Please take some time and fill out the information below to save your spot in a yearbook that will encounter more people than a single community or city. Maybe you are not a business owner, but a proud parent and instead want to shout out your kindergarten, 5th grade, or 8th grade student. Guess whatyou can by simply filling out this form! Use the space below, the back of this form, or a separate piece of paper to clearly indicate where you want the photos and message placed. Please do not staple your materials together to prevent damage to your photos.
